THE  
PETERSON FAMILY  
2018

The Benefactors' Parade

## BENEFACTORS' PARADE

**Project One Campus sees the move of King's High to the Myton Road site, joining Warwick Preparatory School and Warwick School on one spacious, green campus. The project will provide new school buildings within an enhanced pedestrian-friendly campus, linked green spaces and courtyards.**

The Benefactors' Parade will feature a series of stones and occupy a prime position on the new site. Individual stones will be approximately 300mm x 150mm and can be sponsored and personalised with your name for a donation of £1,000 (or £800 plus Gift Aid). This is a fantastic way to commemorate your connection with the

Warwick Independent Schools community whilst helping raise funds to provide the best possible facilities both now and for future generations. Recognition on the Benefactors' Parade will be allocated on a first come, first served basis. To take advantage of this limited opportunity please complete and return this form to make your donation.

## THE PLUS FACTOR

The £41.25 million building programme to create a single, outstanding campus for our family of schools is the largest capital investment that the Foundation has made in new facilities. One Campus Plus is a campaign to raise a further £4 million, enabling us to maximise the potential of the new site and ensure that the project delivers our highest aspirations for a truly exceptional environment in which to learn, work and play.

## ENERGY THAT TAKES YOU PLACES

We want to create an unparalleled campus where pupils are encouraged to explore new pursuits and find the confidence to develop their talents. The journey of discovery they begin here, will shape collaborative experiences and individual passions that last a lifetime.
